

EXPEDITION-WEATHER-SERVICE

order sheet

for **REGION** or **GOAL**: (name, coordinates, altitude,...)

.....
.....

BASIC PRIZE per forecast point for 1 month: € 625,52 plus 20 % VAT

The price is to be understood as net price plus any value added tax and/or reverse charge for contractual partners from non-EU countries.

Start of forecast delivery (date):

 **e-mail addresses** (max.3):

.....

 **phone numbers** (max.3):

.....

Within the order period weather briefings per phone are optionally possible:

price: € 113,73 plus 20% VAT per briefing

The phone briefing takes places after arrangement – preferentially between 1:00 and 4:00 pm CE(S)T – and has to be announced one day in advance at the latest. After the briefing is arranged with time and date it will be charged. The expedition actively calls Geosphere Austria in Innsbruck, the respective phone number will be announced after the order is complete. The telephonic briefing is only possible in combination with a basic order, not separately.

address / invoice address / UID number (if available):
